Section 2. CEQA. Pursuant to Section 15061(b)(3), Council finds that extension of the relevant plans pursuant to this Ordinance is not subject to CEQA on the basis that it can be seen with certainty that there is no possibility that this Ordinance may have a significant effect on the environment. This finding is based on the holding in *Muzzy Ranch Co. v. Solano County Airport Land Use Com. (2007) 41 Cal. 4th 372* and the fact that the adoption of this Ordinance will not affect the existing planned land uses and that any foreseeable indirect impact is too speculative to analyze.

Section 3. Certification. The City Clerk is hereby directed to send a certified copy of this Ordinance to the Agency, whereupon the Agency is vested with the responsibility for carrying out the Amendment.

Section 4. Effect of Amendment. Except as expressly provided in this Ordinance, the Redevelopment Plans, as previously amended, shall remain unchanged and in full force and effect.

Section 5. Partial Invalidity; Severability. If any part of this Ordinance or the Amendments which it approves is held to be invalid for any reason, such decision shall not affect the validity of the remaining portion of this Ordinance or of the Amendments, and this City Council hereby declares that it would have passed the remainder of the Ordinance or approved the remainder of the Amendments if such invalid portion thereof had been deleted.

Section 6. Effective Date. This Ordinance shall be in full force and effect thirty (30) days after adoption.
